

An abstract graphic on the left side of the image features a series of concentric circles in various colors (yellow, orange, red, purple, blue, green) that create a sense of depth and movement. A white line with rounded corners frames the central text area.

Programos dalyviai

A stylized illustration of a satellite with solar panels and a yellow antenna is positioned above the text. To the right, a red comet with a yellow nucleus and a long red tail streaks across the orange background. Below the text, a small blue UFO with a white dome is visible.
